Osdatsu halsgisgi? Osdatsu halsgisgo'i?

The Tsi-/G- Set Pronouns are used on most intransitive Imperfective Stem verbs. The Imperfective Habitual verb refers to a situation that recurs consistently, everyday, for example. The Tsi-/G- Set of Pronouns is so called because of the sound form of the First Person Singular 'I'.

There are 10 Tsi-/G- Set Pronouns. If you know the First Person Singular and the Third Person Singular, you can predict the other 8 pronouns.

1. tsi- 'I'; a- 'she/he'	2. tsi- 'I'; ga- 'he/she'	3. g- 'I'; a- 'she/he'	4. g- 'I'; g- 'he/she'

We will work with First Person Singular 'I' and Second Person Singular 'you' pronouns.
